

## **REPORT OF FREE EYE SCREENING CAMP AT MOHIB BANDA MARDAN ON 5<sup>th</sup> May, 2016**

### **Back Ground:**

This free eye screening camp was held at Mohib Banda, a village in Mardan district conducted by PICO under the National Program for Prevention and Control of Blindness (NPPCB). The camp was a screening camp for cataract surgeries and refractive errors.

### **REPORT OF FREE EYE SCREENING CAMP AT CHAIKAN DI KHAN:**

This one day free eye screening camp was held at Mohib Banda village, in District Mardan. The following team of Pakistan Institute of Community Ophthalmology (PICO) participated in the camp:

### **TEAM:**

1. Dr Junaid Faisal Wazir. ( Consultant Community Ophthalmologist)
2. Dr. Noor ul Mabood. ( Director admin.PICO)
3. Fahad Ghayyour. ( Optometrist)
4. Sheraz Fazid. (Optometrist)
5. Jalal Ud Din.( Optometrist)
6. Shehbaz Hussain. ( Optometrist)

The team started journey from PICO HMC on Thursday 5<sup>th</sup> May 2016 early in the morning at 8.00 AM with all necessary stuff needed for Eye camp in Vehicle. Before getting into vehicle a short meeting was planned in CEC cell. The team gathered in CEC cell where they were briefed by Dr Junaid Faisal Wazir for the pre-liminary arrangements and specific duties were assigned to each person for the Screening eye camp and the necessary arrangements were made.

### **Details of Camp Activities:**

The timing of OPD was from 10:00 am till evening 4:00 pm. When the team reached the target place of camp they were welcome by local Nazim. After exchanging greetings the team started their duties efficiently. As all duties were pre-assigned so quickly registration desk was set up and certain rooms were identified (Visual Acuity, Refraction, Screening and Pharmacy or Room for Medicine).

The details of the patient seen, provided with medicines, glasses and those diagnosed for surgeries are as under:-

Date	No of patients in OPD	Free medicine given	No of cataract diagnosed for surgeries	No of NV Glasses given
<b>5-5-2016</b>	<b>600</b>	<b>480</b>	<b>14</b>	<b>350</b>

### Overall Findings:

- **Patients Examination:** Total 600 patients who were registered at registration desk were examined for eye diseases by Dr Junaid Faisal Wazir and Shehbaz Hussain were in male room Fahad Ghayyour and Sheraz Fazid were in a separate room for females.
- **Surgeries:** A total of 14 patients were diagnosed for cataracts that were referred to PICO HMC on 4<sup>th</sup> and 5<sup>th</sup> June where they will be operated for surgeries. The necessary support in terms of IOLs consumables for the cataract surgeries will also be provided by PICO under the National Program for Prevention and Control of Blindness.
- **Medicines:** Total 480 patients were prescribed medicines which were provided in separate room.
- **Glasses:** Glasses were given to the needy patients after being properly refracted by optometrist.
- **Administrative Support:** The locally elected Nazim did the responsibility of administration and a team was given task for this purpose who took the camp smoothly without any rush.

Team met with the elected Nazim at the end of camp and thanked him for help and assistance in making this camp successful.
